## **Calling on all Young Eagle Pilots**

From: Jimmy Chadwick

*I am soliciting for YE pilots to help out at the Terrell YE Rally held at the Terrell airport on September 23rd? It's a multi-chapter event to fly kids in the local area. There hasn't been a Rally in that area for several years and they don't have any EAA Chapter representation. We need pilots. Any YE credits earned for flights in this rally can go to the home Chapter of the pilots.*

*At your next meeting, would you please mention the Rally and pass this request on to anyone interested? Any pilots interested can shoot me an email at [james@aircraftcovering.aero](mailto:james@aircraftcovering.aero) and I'll send them an official invite through the [yeday.org](http://yeday.org) system.*

*Thanks

You're on short final and you're cleared to land, but another airplane is still on the runway. Your hand is on the throttle, ready for a go-around. What should you do?
